### HEADLICE

Please remember to check your children's hair REGULARLY (AT LEAST ONCE A WEEK). If you find live headlice, please treat them immediately. To try and avoid getting headlice we suggest that long hair is tied up every day for school. Please remember that as long as your child has been treated you can send them to school.

# Shrewsbury Prison Visit

On Monday the children in Turquoise class went on a visit to Shrewsbury Prison. When the children arrived they met Keith the prison officer, who had worked in Shrewsbury prison for 25

years. He was a fountain of knowledge and imparted his wisdom on the children. They then went through to A block and saw where the prisoners actually were imprisoned. Keith then locked them into a cell and they had to solve riddles to escape which they enjoyed. In the afternoon, the children were thrilled to be allowed to explore the execution room. The children asked loads of really interesting questions and their behaviour was impeccable.
