Equal Opportunities and Recruitment

TrustEd Schools' Partnership uses Shropshire Council for HR services and ask candidates to note the following:

Equal Opportunities Policy

- *Our vision is to improve significantly the quality of life for Shropshire people by working together, which is at the heart of everything we do. Shropshire Council is committed to this vision.
- *We will strive for the highest possible public service and professional standards, and will be accountable to Shropshire people for everything we do.
- *We believe that equal opportunity is about treating people fairly, openly and honestly and recognising that people all have different needs, cultures, experiences and expectations.
- *It is the policy of Shropshire Council to ensure that no person, whether a job applicant, employee, service user or third party receives any less favourable treatment because of his or her gender, marital status, family status, lifestyle, age, ethnicity, religion, sexual orientation, disability, political affiliation, trade union membership or any other condition or requirement which cannot be shown to be justifiable.

We take positive steps to promote Equality & Diversity in employment such as our Lesbian, Gay & Bisexual network and the Employees Disability Network.

Equality Act 2010

The Equality Act 2010 places a general duty on the Council to promote equality. This means that in everything we do, we need to:

- *Eliminate unlawful discrimination, harassment and victimisation.
- *Advance equality of opportunity.
- *Foster good relations between different people.

Policy Statement for Applicants with Disabilities

Under the Disability Discrimination Act 1995, employers have a duty to make reasonable adjustments where, compared to a non-disabled person, a disabled person is substantially disadvantaged by either the working arrangements (which include the recruitment process) or the working environment.

The Act defines a disabled person in the following way:

"A disabled person is anyone who has or has had a physical or mental impairment which has a substantial and long term effect on their ability to carry out normal day to day activities."

You should be aware that we may ask you to give details of your disability should you be invited to interview. Any supporting information, for example a letter from a Disability Employment Adviser, would be helpful. The information you provide will be shared with the appointing officer responsible for shortlisting applicants and organising the selection process. You should be aware that you may be asked to give details and any supporting information.

We have made a commitment to improve employment opportunities for people with disabilities, and have adopted the Employment Department's two ticks symbol 'Positive About Disabled People'. This means that the Council has undertaken to guarantee an interview to all applicants with a disability who meet the essential requirements of the job as contained in the person specification.
